

**IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF IOWA  
CEDAR RAPIDS DIVISION**

UNITED STATES OF AMERICA,  
Plaintiff,  
vs.  
CHEYENNE NICOLE MASON,  
Defendant.

No. 22-CR-99 CJW-MAR

**ORDER REGARDING MAGISTRATE  
JUDGE'S REPORT AND  
RECOMMENDATION  
CONCERNING DEFENDANT'S  
GUILTY PLEA**

***I. INTRODUCTION AND BACKGROUND***

On December 14, 2022, a two-count Indictment was filed against defendant and one other person. Defendant was charged in counts one and two. On May 15, 2023, defendant appeared before United States Magistrate Judge Mark A. Roberts and entered a plea of guilty to count one of the Indictment. On May 15, 2023, Judge Roberts filed a Report and Recommendation ("R&R") in which he recommended defendant's guilty plea be accepted. The parties did not file objections to Judge Roberts' R&R. The Court, therefore, undertakes the necessary review of Judge Roberts' recommendation to accept defendant's plea in this case.

***II. ANALYSIS***

Under the statute, this Court's standard of review for a magistrate judge's R&R is as follows:

A judge of the court shall make a de novo determination of those portions of the report or specified proposed findings or recommendations to which objection is made. A judge of the court may accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate judge.

28 U.S.C. § 636(b)(1)(C).

When parties do not object to a magistrate judge's report and recommendation, the Court reviews the report and recommendation for clear error. 28 U.S.C. §

636(b)(1)(A). Similarly, Federal Rule of Criminal Procedure 59(b) provides for review of a magistrate judge's R&R on dispositive motions, where objections are made, as follows:

The district judge must consider de novo any objection to the magistrate judge's recommendation. The district judge may accept, reject, or modify the recommendation, receive further evidence, or resubmit the matter to the magistrate judge with instructions.

FED. R. CRIM. P. 59(b)(3).<sup>1</sup>

In this case, the parties filed no objections, and it appears to the Court upon review that Judge Roberts' findings and conclusions are not clearly erroneous. Therefore, the Court **ACCEPTS** Judge Roberts' R&R of May 15, 2023, and **ACCEPTS** defendant's plea of guilty in this case to count one of the Indictment.

**IT IS SO ORDERED** this 31st day of May, 2023.

<sup>1</sup> *United States v. Cortez-Hernandez*, 673 F. App'x 587, 590-91 (8th Cir. 2016) (per curiam), suggests that a defendant may have the right to de novo review of a magistrate judge's recommendation to accept a plea of guilty even if no objection is filed.
